

To Our Valuable Customers,

As the Coronavirus continues to impact all of us, we would like to reach out to you directly. Our team at Above All Equipment recognizes the challenges ahead for all business owners, employees and their customers. We are here to continue to support you.

- We've taken several proactive measures to address the challenges that COVID-19 brings and avoid any disruption to our services. We are working hard to protect the health of all our team members, stepping up health and safety efforts throughout our office; and more importantly our suppliers and vendors are doing the same. You can still reach us via phone or email. At this time supply of reconditioned scissor lifts has not changed. However, contractor owned telehandlers are in limited supply due to travel restrictions. We will continue to monitor the situation and act swiftly to inform you of any updates. Please don't hesitate to contact us if we can be of service or assistance. Everybody stay safe, and please heed the advice of local officials. Together we will overcome this and come back stronger on the other side.
